CREMATORIUM MEMORIAL MEMORIAL PATH GRANITE PLAQUE

As part of our Memorial Path within the crematorium grounds we have provided a range of polished Granite Kerbs incorporating a small posy holder, specifically designed to encompass a polished black Granite plaque for inscription.

Each plaque measures 203mm x 89mm (8inches x 3.5inches) and can accommodate inscribed text from a range of six differing fonts, together with handcrafted illustrations and also ceramic photo-plaques copied from your own photographs. Please contact the crematorium office to see samples and available styles.

Supply and fitting of the plaque will take approximately two months from the time of ordering and we will write to you confirming its receipt and placement in the grounds.

The initial dedication period of a Granite Plaque is 15 years after which the lease may be renewed at five years intervals on additional payment at that time.

Please read the following terms & conditions before signing the declaration below

1. Upon payment of the necessary fee, the dedication will be for an initial period of 15 years from the date of fitting.
2. The dedication period may at the Councils discretion be renewed at the end of the period subject to the regulations then in force.
3. Should the dedication period expire the Council reserves the right to remove the plaque from the crematorium grounds. The plaque remains the property of the Council.
4. The Council may remove any unauthorised items in the vicinity of the plaque or elsewhere in the crematorium grounds without notice.

I agree to the terms above:
